Product description

Idoneth Deepkin: Lotann, Warden of the Soul Ledgers

This multi-part plastic kit contains the components necessary to assemble Lotann, Warden of the Soul Ledgers. Hardly concerned with the violence and melee going on all around him, Lotann is utterly absorbed in the Catalogue of Souls – an enormous parchment scroll clutched in his left hand, on which he tallies the Idoneth's captured souls. He uses a bone quill to do so – on occasion, he'll use this to stab an encroaching enemy, but for the most part his defense is left to his Ochtar familiar. This is a large, octopus-like creature which looms over Lotann's right shoulder, brandishing a cudgel, a serrated blade and even thoughtfully carrying a spare scroll, should the tally of souls grow too large to count.

Lotan, Warden of the Soul Ledgers comes as 8 components, and is supplied with a Citadel 40mm Round base.
