Product description

Imperial Fists – Bastion Strike Force

This boxed set focuses on Gravis-armoured Space Marines, led by Tor Garadon and his deadly Hand of Defiance. Inside, you'll find enough Heavy Intercessors for a gunline of three squads, plus a trio of fist-swinging Aggressors to further bolster your front. You'll also receive plenty of Imperial Fists Primaris Upgrades to add some extra sons of Dorn style. This box provides 19 plastic models with a variety of armaments for shooting at long and close range, making it an ideal way to start a new Imperial Fists army or add to your existing Space Marines collection.

This set includes the following multipart plastic models:

- 1x Tor Garadon
- 3x Aggressors
- 15x Heavy Intercessors
- 2x Imperial Fists Primaris Upgrades frames

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
