Product description

Iron Hands - March of Iron Strike Force

This box provides a tough, powerful core for an Iron Hands army, led into battle by Iron Father Feirros, armed with the mighty axe Harrowhand. Inside you'll find a squad of objective-claiming Primaris Intercessors, two towering Redemptor Dreadnoughts, and a Techmarine to repair them and keep them fighting. You'll also receive plenty of Iron Hands Primaris Upgrades to add some extra sons of Ferrus Manus style. This box provides 14 plastic models with a variety of weapon options, making it an ideal way to start a new Iron Hands army or add to your existing Space Marines collection.

This set includes the following multipart plastic models:

- 1x Iron Father Feirros
- 1x Primaris Techmarine
- 2x Redemptor Dreadnought
- 10x Primaris Intercessors
- 2x Iron Hands Primaris Upgrades frames

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel Colour paints.
