Product description

Kharadron Overlords: Brokk Grungsson, Lord-Magnate of Barak-Nar

This multi-part plastic kit contains the components necessary to assemble Brokk Grungsson, Lord-Magnate of Barak-Nar. Borne aloft in an elaborate, custom-made dirigible suit, he's armed with a sizable cannon known as Grungsson's Boast, a multi-barrelled gun called the Magnate's Charter and an aethermatic saw for close combat. He also features aetherblasters mounted in his impressive moustache; such is the opulence his status brings!

The suit itself is covered in the kind of pipes, valves, cogs and latticework you'd expect for a duardin able to pay for the finest things in war, even including a custom filtration system and powered assistance for his limbs. Brokk Grungsson is a powerful duardin, and before his enemies die, he wants them to know it...

This model comprises 46 components, and is supplied with a Citadel 50mm Round base, with a 35mm ball and socket flying stem.
