Product description

Kill Team: Into the Dark

This is the paperback Kill Team supplement originally found in the Kill Team: Into the Dark boxed set, now available on its own. Inside these 120 pages, you'll find full rules and background for both the disciplined Imperial Navy Breacher and savage Farstalker Kinband kill teams, datacards (including fillable blanks to copy), Tac Ops and Ploys, equipment lists, and Spec Ops rules including Rare Equipment and Battle Honours.

Also contained within is a lore guide to the twisting history of the *Gallowdark* space hulk, Close Quarters rules for fighting in space hulks, full killzone rules for using the *Gallowdark* terrain set alongside Into the Dark terrain pieces, a complete Gallowdark Expedition system for Spec Ops campaigns, and the Shadow Operations: Gallowdark Mission Pack and Critical Operations: Gallowdark Mission Pack, which together offer 18 missions for use in your games of Kill Team, playable with any faction.

You'll need a copy of *Warhammer 40,000: Kill Team Core Book* to make full use of this supplement.
