Product description

Kill Team: Killzone Chalnath

Killzone Chalnath is a scenery expansion set for Kill Team, comprising a range of Imperial terrain pieces to populate Killzones. As well as being an excellent set of modular terrain, this box lets you recreate the mission layouts in the Kill Team: Chalnath book. It's the perfect complement for your games of Kill Team and Warhammer 40,000, and an ideal way to begin or expand your terrain collection.

This kit is comprised of 157 plastic components with which you can build:

5x Ruined Walls
2x Chalnath Ruined Buildings

The set also includes a double-sided folding gaming board measuring 30" x 22.4", allowing you to quickly build a battlefield suitable for games of Kill Team. This durable board features different artwork on each side, and can be combined with other gaming boards to create larger battlefields.

These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel paints.
