Product description

Kill Team: Tac Ops Cards

This card pack is an expansion for Warhammer 40,000: Kill Team.

Tac Ops are selectable secondary objectives used in many mission types found in Kill Team, which are hidden from your opponent and provide many different methods of scoring during games.

This pack contains two decks of 27 cards each comprising 24 Tac Ops objectives from the Kill Team Core Book and three selection cards for hiding your chosen objectives from your opponent. The two decks have identical fronts and differently coloured backs to ensure they're easily kept separate.
