Product description

Leagues of Votann: Dice Set

The Leagues of Votann venture out from the galactic core after millennia of isolation, seeking new ventures and resources as they fight to preserve their Holds and honour the wisdom of their Ancestors. Demonstrate true commitment to your League with this set of themed dice for Warhammer 40,000, each one a masterwork worthy of a Brôkhyr's forge.

This set includes 16 six-sided dice measuring 16mm along each edge. They are cast in translucent gem-effect brown plastic, featuring gold-coloured pips and the stern face of the Ancestors on each 6 face.
