Product description

Leagues of Votann: Einhyr Champion

Seasoned commanders of the Hearthguard tasked with leading from the front, Einhyr Champions wear modified exo-armour fitted with mass drivers. Combined with their formidable close-quarters weaponry and bulky RAM shields, this hulking war-suit transforms them into living battering rams whose accelerated charge hits hard enough to smash clean through armoured fortress gates.

This kit builds an Einhyr Champion, a heavily-armoured leader for the Leagues of Votann. Clad in bulky exo-armour with a rune-etched RAM shield mounted on one arm, this indomitable vanguard strides forward with impunity, leading the charge with crushing mass while firing explosive shells from their Autoch-pattern combi-bolter. The kit includes a choice of two melee weapons for destroying enemies in close combat – a crushing mass hammer or finely-wrought darkstar axe – as well as two different crest designs to represent either a teleport crest or defensive weavefield crest. You'll also find two head options and a choice of two shield plate designs, to further customise your Champion.

This kit comprises 22 plastic components and is supplied with 1x Citadel 40mm Round base. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
