Product description

Leagues of Votann: Einhyr Hearthguard

Clad in formidable exo-armour and equipped with a fearsome array of weaponry, Einhyr Hearthguard are a force to be reckoned with. Whether forming bodyguards around their Oathband's heroes or striking deep into the heart of enemy territory, they are all but unstoppable on the attack and nigh-immovable in defence.

This multipart plastic kit builds five Einhyr Hearthguard, elite Kin equipped with the finest armour and weapons available. Their bulky, rune-etched exo-armour allows them to withstand concentrated enemy fire, and incorporates a shoulder-mounted grenade launcher. Each model can be armed with a choice of ranged and melee weapons – an EtaCarn plasma gun or volkanite disintegrator for blasting away at a distance, and a concussion gauntlet or plasma blade gauntlet for close fighting. The kit includes 19 interchangeable heads – 12 unique bare heads, five helmets, and two helmets with open visors. One model can also be built as a Hesyr leader, equipped with a concussion hammer and a choice of two different crests.

This set comprises 117 plastic components, and is supplied with 5x Citadel 32mm Round Bases and a Leagues of Votann Transfer Sheet with 555 numerals, runes, and markings for prominent Leagues. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
