## Product description

# Leagues of Votann: Grimnyr

The Grimnyr – also known as Living Ancestors – are privy to the wisdom of the Votann, and the closest analogue to priests among the secular Leagues of Votann. Engineered with a psychically-active cloneskein that allows them to activate barrier-tech such as ward staves and energy-focusing CORVs, these Kin are able to rouse the fury of the immaterium against their foes.

This multipart plastic kit one Grimnyr, a powerful and cunning psyker accompanied by two CORVs. Draped in ornate ceremonial robes and protected by their bird-headed ward crest, this shamanic figure wields an ancestral ward stave capped with a Votannic visage. The kit includes a choice of two heads – one with a beard and mysterious hood, and the other with flowing braids. The rune-marked CORVs that accompany the Grimnyr into battle lend fire support with Autoch-pattern bolters, but also act as conduits to protect them from dangerous surges of empyreal power.

This kit comprises 18 plastic components and is supplied with 1x Citadel 40mm Round Base and 2x Citadel 25mm Round Bases with flying stems. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
