Product description

Leagues of Votann: Úthar the Destined

As the most accomplished hero of the Greater Thurian League, Úthar the Destined is a Kâhl marked for greatness. His clone-birth was an event shrouded in wonder and Votannic prophecy, foretelling an uncertain fate that he has spent his whole life striving and sacrificing to prepare for. Few can assess the foe as swiftly or mercilessly as Úthar and – once he has his enemies' measure – he soon cuts them to pieces with the glowing Blade of the Ancestors.

This kit builds Úthar the Destined, a legendary Kâhl chosen by prophecy to lead the Greater Thurian League. Clad in a finely-crafted battle-suit and protected by the defensive field of his rampart crest, Úthar is posed raising the immaculately-crafted Blade of the Ancestors skyward, to signal the advance and inspire his troops to even greater acts of martial prowess. He wields a searing volkanite disintegrator in his other hand, to take on foes at any distance.

This kit can alternatively build a Kâhl for any of the Leagues, armed with a variety of weapons and wargear.

This kit is comprised of 24 plastic components and is supplied with 1x Citadel 40mm Round base. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
