Product description

Legion Dice – Sons of Horus

The Warmaster's own Legion are unleashed on the field as dark exemplars of the Astartes, cursing the Emperor's name. Show your loyalty to Lupercal with this set of Sons of Horus-themed dice.

This set includes 20 six-sided dice measuring 16mm along each edge. They are cast in swirled green and dark blue, with markings picked out in a burnished gold – the colours of the Sons of Horus. 19 of these dice are standard six-sided dice with the Sons of Horus icon on the 6 face, and one is a Scatter Dice used in games of Warhammer: The Horus Heresy.
