Product description

Lorgar, Primarch of the Word Bearers Legion

Lorgar is depicted clad in the Armour of the Word, and armed with a heavy mace known as Illuminarum.

This 17-part resin kit is provided with a 40mm gaming base and a 60mm scenic base featuring ritualistic trappings and inscriptions.

Rules for using Lorgar in your games of Warhammer: The Horus Heresy can be found in Liber Hereticus – Traitor Legiones Astartes Army Book. This miniature is supplied unpainted and requires assembly – we recommend using Citadel paints.

This resin modelling kit is not a toy – it is a collectible item and construction should only be undertaken by expert Warhammer hobbyists aged 15 years and over.
