Product description

Middle Earth Strategy Battle Game: The Witch-king of Angmar™

The Witch-king of Angmar is a multipart plastic kit supplied as 2 models, 1 on foot and 1 mounted atop a rearing steed. Both models feature options for a hooded head or one wearing the Crown of Morgul. The model on foot can be assembled with or without the dreaded Morgul Blade with which he stabbed Frodo at Weathertop, and he can be equipped with the Witch-king's enormous flail in addition to his ancient longsword.

This kit comes as 22 components and is supplied with 1x Citadel 25mm Round Uncut Base and 1x Citadel 40mm Round Hex Hole Base.

These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
