Product description

Militarum Auxilla Bullgryns

This multi-part plastic kit makes 3 Bullgryn miniatures which can be armed with either grenadier gauntlets and slab shields or battle mauls and suppression shields. Why not make one Bullgryn into a Bone 'ead? These natural leaders have distinctive metal plated heads so they really stand out in the unit.

These miniatures can be assembled with bare head or with gas mask as either Militarum Auxilla Bullgryns or Ogryns. You also have the option to make the special character Nork Deddog.

This kit comes supplied unpainted and requires assembly - we recommend using Citadel Thin Plastic Glue and Citadel Paints.
