### Product description

## Necromunda: Ash Waste Nomads Dustback Helamites

This multipart plastic kit allows you to add Dustback Helamite Riders to your Ash Waste Nomads gang. This set of four miniatures offers a number of equipment options and cosmetic components, to help you build unique mounted gangers, and includes:

- 4x Helamites and Nomad rider bodies, each in two different designs, wearing heavy rags and festooned with equipment
- 2x optional horns for two of the Helamite heads
- 8x Nomad rider heads in four different designs
- 4x saddle poles, each in two designs, one with a hanging rag shade, the other with equipment lashed to it
- Weapons aplenty! 2 blast rifles, 2 long rifles, 2 blast pistols, and 2 chain lances

This set comprises 80 plastic components and is supplied with 4x Citadel 75mm Oval Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.

A basic gang list and weapon list for the Ash Waste Nomads in games of Necromunda are included in Necromunda: Ash Wastes construction booklet.
