Product description

Necromunda: Ash Waste Nomads War Party

This multipart plastic kit allows you to build your own Ash Waste Nomads gang, including a Chieftain and Watcher to provide leadership and heavy support. This set of 10 miniatures has been designed to provide you with a wide variety of equipment, options, and cosmetic pieces, so each member of your gang can be unique. **The set includes:**

- 10x bodies in five different designs, each wearing heavy rags and festooned with canteens, containers, and tools, to be assembled in any way you see fit
- 14x heads in seven different designs – plus two of the bodies have a head attached
- 10x ragged back-mounted shades
- Weapons aplenty! 4 long rifles, 4 blast rifles, 2 blast pistols, 2 stalking knives, 2 charge casters, 2 mono-hooks, and 2 chain lances

This set comprises 96 plastic components and is supplied with 10x Citadel 25mm Round Bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.

A basic gang list and weapon list for the Ash Waste Nomads in games of Necromunda are included in Necromunda: Ash Wastes construction booklet.
