Necromunda: Escher Gang

Assemble your own Escher gang – or add to the miniatures found in the Necromunda: Underhive box – with this set of 10 plastic miniatures. They’ve been designed to provide you with a huge amount of variety and options in assembly, meaning every gang will be unique. Included:

- 10 bodies – 2 each of 5 unique designs – each wearing flak armour. These have been designed with specific weapon options in mind, though of course you are free to model them as you see fit;
- 18 heads – 2 each of 9 unique designs – 4 featuring respirator masks. There are 14 different hairpieces – 2 each of 7 different designs – which can fit onto whichever head you choose;
- Weapons! There are quite a lot of these: 6 lasguns, 8 laspistols, 6 stiletto blades, 2 shotguns, 4 power swords, 2 autopistols, 2 shock whips, 2 needler/bolters, 2 plasma pistols, 2 chem-throwers and 2 autoguns, along with additional frag, krak and choke gas grenades, 4 sheathed stiletto blades and 2 sets of chem-synth packs.

Supplied with 10 25mm Round bases, which feature sculpted textures that match the game board’s aesthetic.
