### Product description

## Necromunda: Goliath Gang

Assemble your own Goliath gang – or add to the miniatures found in the Necromunda: Underhive box – with this set of 10 plastic miniatures. They’ve been designed to provide you with a huge amount of variety and options in assembly, meaning every gang will be unique. Included:

- 10 bodies – 2 each of 5 unique designs – each wearing furnace plate armour. These have been designed with specific weapon options in mind, though of course you are free to model them as you see fit;
- 20 heads – 2 each of 10 unique designs – 4 featuring respirator masks. There are 10 mohawks, which can fit onto whichever head you choose;
- 10 chest plates, in 5 unique designs, with shoulder pads and leg plates for each miniature;
- Weapons! There are quite a lot of these: 2 brute cleavers, 2 pud-jackers, 4 stub cannon, 2 combat shotguns, 2 ‘Renderizer’ serrated axes, 2 automatic grenade launchers, 2 power hammers, 2 plasma combi-stubbers, 2 ‘Krumper’ rivet cannon and 2 stub guns are included, along with additional frag and krak grenades, 2 sheathed knives and 4 sets of stim stashes.

Supplied with 10 32mm Round bases, which feature sculpted textures that match the game board’s aesthetic.
