Product description

Necromunda: Hive Scum

Hive Scum can be found everywhere, often hired by more established gangs looking for cheap bodies, or arranged into fully fledged Underhive Outcasts gangs that clash with the legendary Houses of Necromunda for territory, scraps of loot, and more.

This box lets you assemble 4 plastic miniatures to add to your Outcast or House gang, with a huge range of customisation options, including 10 different weapons and 8 different heads.

The kit is comprised of 32 plastic components, with which you can assemble 4 Hive Scum, and is supplied with 4 Citadel 25mm Necromunda round bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
