### Product description

## Necrons: Convergence of Dominion

This faction-specific Fortification not only provides covers for your Necron forces as they advance, but it also grants multiple benefits to nearby units. Each of the three Starsteles that make up the Convergence of Dominion is armed with a transdimensional abductor, an ancient weapon perfect for killing any enemies that would dare get too close.

This 14 part plastic kit builds three Starsteles, which make up a Convergence of Dominion.
