Product description

Necrons: C'tan Shard of the Void Dragon

This amazing model seems to be hovering above the battlefield, empowered by the crackling energy of mysterious blackstone. Its incredible necrodermis is almost indestructible while nothing can survive an attack from its spear. Not only will it dominate games of Warhammer 40,000, this incredible centrepiece kit represents a fantastic painting challenge.

This 33 part plastic kit makes one C'tan Shard of the Void Dragon. It is supplied with one 80mm Citadel round base.
