Product description

Necrons: Flayed Ones

Covered in the macabre remains of their latest victims, the Flayed Ones stalk into battle, striking swiftly from the darkness to slice their next target to shreds. Their hunched stature, long claws, and flayed skin make them stand out against other Necron units, making them an ideal addition to any collection.

This 55-part plastic kit makes five Flayed Ones for use in games of Warhammer 40,000 and is supplied with five Citadel 28.5mm Round Bases.
