### Product description

## Necrons: Monolith

Support your Necron army's implacable advance with a Monolith. Not only can it provide covering fire with its gauss flux arcs, but it can also bring in reinforcements through its eternity gate. The gauss flux arcs can be replaced with death rays, while the kit also comes with a choice of eternity gate.

This 123-part plastic kit makes one Necron Monolith. It is supplied with a 160mm round Citadel base and a clear hover stand.
