Product description

Nighthaunt: Bladegheist Revenants

This multi-part plastic kit contains the components necessary to assemble 10 Bladegheist Revenants. Eternally tormented spirits, they are clad in tattered cloaks which fade away into ethereal elements, appropriate to the panicked, frantic fighting style they exemplify. Each is posed swooping and jinking unpredictably; the chains that bind them to Shyish are swinging wildly about their forms. Within the cloaks, metallic face masks peer out – there are 10 of these included, each a different design, which can be modelled on any cloak assembly you desire. There are 10 tomb greatblades included, each of which is slightly different.

This kit comes as 43 components, and is supplied with 10 32mm Round bases.
