Product description

Nighthaunt: Crawlocke the Jailor

This multi-part plastic kit contains the components necessary to assemble Crawlocke the Jailor – a Spirit Torment – and 2 accompanying Chainghasts. Crawlocke himself is little more than an ethereal wisp, with emaciated arms reaching from under a shroud – featuring the tormented faces of the damned – to grasp his large, ensorcelled padlock and set of heavy keys, which are used to belabour the living. There are 3 choices of grim face mask for the Spirit Torment, and his ethereal form is trapped within a confining gibbet cage, from which a grave-sand filled hourglass dangles. The accompanying Chainghasts each carry a pair of Ghastrails, with robes covering their forms. There are 4 different masks available for the Chainghasts, each entirely closed and sinister, and there are included 8 pieces of scenery detritus – sections of gibbet, broken locks and metal – with which to decorate the bases.

This kit comes as 30 components, and is supplied with 2 Citadel 32mm Round bases and a Citadel 40mm Round base.
