Product description

Nighthaunt: Scriptor Mortis

This multipart plastic kit builds one Scriptor Mortis, a malignant Hero for Nighthaunt armies. Surrounded by dribbling candles and the vapours of a spectral lantern, this bitter and vengeful scholar floats before an ornate skeletal lectern, making for a striking leader of your spectral hordes. A Scriptor Mortis can sentence enemy Heroes to endless punishment, inflicting a doom that creeps ever-closer as the battle drags on. When surrounded by friendly Nighthaunt, they're also able to shield themselves from harm by transferring damage to their thralls.

This kit is comprised of 12 plastic components and is supplied with 1x Citadel 40mm Round Base. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel paints.
