Manufacturer	Games Workshop

Product description

Orc & Goblin Tribes Battalion

This boxed set gives you a solid core of 73 plastic miniatures to build a mighty Orc & Goblin Tribes army. At its centre are the Orcs, equipped with your choice of hand weapons and shields, spears and shields, or even two hand weapons for maximum carnage. You'll also find components to build a full command section. Supporting them are a whopping 40 Goblins, who can be armed with either shortbows or spears and shields, making them versatile support units. There are also enough components to build a command section for the Goblins. Lastly, you'll find two Orc Boar Chariots, a powerful pair of mobile linebreakers.

This boxed set contains 73 multipart plastic Citadel Miniatures:

- 2x Orc Boar Chariots
- 31x Orc Boyz
- 40x Goblins
- 1x Orc Transfer Sheet
- 1x Goblin Transfer Sheet

All models come with their appropriate bases. These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel Colour paints.
