Product description

Orks: Boyz

This kit builds five Ork Boyz equipped with a slugga and choppa, three with shootaz, one with a special weapon, and one Boss Nob to lead them. Special weapon options for one ork give you a choice of more dakka with a big shoota or big booms with a rokkit launcha, while the Boss Nob comes with helmeted or unhelmeted options and a choice between a nasty power klaw or a big choppa.

This set comprises 54 plastic components and is supplied with 10x Citadel 32mm Round Bases and 1x Ork Transfer Sheet. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
