Product description

Orruk Warclans: Megaboss on Maw-krusha

This multi-part plastic kit contains all the components necessary to assemble one Megaboss on Maw-krusha. Standing atop his fierce steed, the Megaboss is armed with either a boss gore-hacka and scrap-tooth or a choppa and rip-tooth fist – both options are suitably killsome. The Maw-krusha features an alternative mask and bladed tail. This kit contains 63 components, includes a Citadel 160mm Round base, and can be optionally assembled as Gordrakk, the Fist of Gork.
