Product description

Orruk Warclans: Rabble-Rowza

This multipart plastic kit builds a Rabble-Rowza, a Moonclan demagogue for the Gloomspite Gitz. Protected by his fearsome squig-skull armour, this noisy leader whips cave-dwelling monsters into a frothing frenzy. Should any foes get too close, the Rabble-Rowza lashes out with a moon-sickle and basha, whilst their screeching flock of mushroom-stuffed bat squigs dive-bomb enemies in explosive fashion.

This kit comprises 10 plastic components, and comes with a Citadel 32mm Round Base. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
