Product description

Ossiarch Bonereapers: Mortisan Soulmason

Mortisan Soulmasons are an excellent supporting unit in Ossiarch Bonereapers armies, ensuring your units hit home with nifty magical powers. If you're looking to ensure a battery or Morteck Crawlers hit their mark, or your Necropolis Stalkers shred even the most evasive foes, you'll want to grab one or two of them!

This 18-part plastic kit makes one Mortisan Soulmason and is supplied with a 40mm Citadel round base.
