### READ IT BECAUSE

It's the latest chapter in Dan Abnett's Inquisition saga, featuring the return of Eisenhorn and Ravenor, packed with shocking twists and stunning revelations that will change the way you look at the Warhammer 40,000 universe forever.

### THE STORY

In the mysterious city of Queen Mab, the forces of light and darkness are locked in a murderous struggle for truth. The dedicated agents of the Holy Inquisition battle with their shadowy counterparts, the infamous Cognitae, to discover the encrypted identity of the enigmatic, all-powerful King in Yellow.

Caught at the heart of this struggle is the pariah Alizebeth Bequin. Will she stand with the Inquisition, or with the Cognitae that raised her? And even if she chooses the Emperor's foremost agents, will she place her trust in the wise but ruthless Ravenor, or his rival, the denounced heretic Eisenhorn? Bequin must withstand an onslaught of angels, daemons, and even the monstrous warriors of the Traitor Legions to unpick the greatest riddle of her life.

The beloved characters of Eisenhorn and Ravenor return, as implacable adversaries in a novel of esoteric mystery, macabre intrigue, and vivid action, where the revelation of true identity could mean death... or might shake the Imperium to its very foundations.
