Product description

Seraphon: Saurus Guard

This multi-part plastic kit contains enough components to build an impressive fifteen Saurus Guard miniatures, armed with heavy celestite polearms and stardrake shields. One model can be optionally assembled as an Alpha Guardian, with its own decorative pieces. Parts to assemble a stardrake icon bearer and wardrummer are included, and there's a host of shield designs, skulls and detritus with which to make your Saurus Guard unique. Supplied with twenty Citadel 32mm Round bases.

This kit comes supplied unpainted and requires assembly - we recommend using Citadel Plastic Glue and Citadel Paints also available in our Webstore
