Product description

Seraphon: Slann Starmaster

This multipart plastic kit builds a Slann Starmaster – a toad-like mage-priest seated atop a floating palanquin. The Starmaster visibly exudes ancient wisdom and magical power, and the kit includes a huge variety of customisation options to make them your own. You'll find a choice of two heads – one with an open mouth, delicate necklace, and elaborate feathered crown, and one with a closed mouth, ornate talismans, and optional diadem. There's also two left arms – one carrying a sceptre, the other a crystal skull – and two right arms in different mystical poses, one of which comes with an optional arcane orb.

Even the palanquin can be personalised – the kit offers a choice of carved upper panels, engraved frontpieces, and scenic base elements such as rubble and vines. Skink attendants can perch on either side of the Starmaster, one carrying a spear and shield, the other carrying your choice of Seraphon artefacts – each can also be replaced by a small lizard pet. It's a truly magnificent centrepiece to any Seraphon collection.

This kit comprises 57 plastic components, and comes with a Citadel 80mm Round Base. This miniature is supplied unassembled and unpainted – we recommend using Citadel Plastic Glue and Citadel Colour paints.
