## Sisters of Silence - 5 Citadel Miniatures from Games Workshop

This multi-part plastic kit contains the parts necessary to assemble 5 Sisters of Silence. The kit can be assembled as Vigilators, who specialise in melee and carry executioner greatswords, Prosecutors, who operate more flexibly and carry bolters for longer-range combat and Witchseekers, who carry flamers for devastating multi-target assaults.

This kit comes supplied unpainted and requires assembly - we recommend using Citadel Plastic Glue and Citadel Paints also available in our Webstore
