Product description

Slaves to Darkness: Chaos Chosen

This multipart plastic kit builds five Chaos Chosen – hardened warriors for Slaves to Darkness armies in Warhammer Age of Sigmar. Each of these deadly fighters is armed with a soul splitter – accursed two-handed weapons in the form of hammers, axes, mauls, and greatswords – and clad in ornate plate armour. One model can be built as an Exalted Champion, one as a Skull Drummer musician, and another as an Icon Bearer with either a flag or eight-pointed star – the kit includes five alternate sigils to dedicate your icon to Khorne, Slaanesh, Nurgle, Tzeentch, or Chaos Undivided. The other two models can be built with a choice of weapons, and the kit includes eight helmeted and four bare heads to choose from, allowing you to easily personalise your Chaos Chosen.

This kit comprises 86 plastic components, and is supplied with 5x Citadel 40mm Round bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
