Product description

Slaves to Darkness: Chaos Knights

This multipart plastic kit builds five Chaos Knights – elite, bone-crushing cavalry sworn to the Ruinous Powers. These mounted warriors wield cursed lances and Chaos runeshields, outfitted with menacing armour and ornate barding. Cloaks billowing behind them, hooves kicked up in a charge, these models convey a terrifying momentum atop their warped war steeds. The kit includes components to build one model as a Doom Knight champion, who can be armed with a cursed flail or ensorcelled warhammer instead of a lance, and comes with a choice of alternate helmets as well as a unique runeshield and steed head. You can also build one model as a Hornblower musician, and another as a Standard Bearer with a large flag topped by one of five Chaotic sigils – one each for Khorne, Nurgle, Slaanesh, Tzeentch, and Chaos Undivided.

This kit comprises 74 plastic components, and is supplied with 5x Citadel 75x42mm Oval Bases. These miniatures are supplied unassembled and unpainted – we recommend using Citadel Plastic Glue and Citadel Colour paints.
