Product description

Soulblight Gravelords: Blood Knights

As elite knights riding at the head of the Soulblight Gravelords' armies, Blood Knights have perfected the art of barreling straight through formations of enemy troops, spearing and slashing as they go. Their armour and powerful physiques make them durable fighters in melee combat, and thanks to the Soulblight curse they are even able to restore their vitality once the blood starts flowing.

The kit is comprised of 67 plastic components, with which you can assemble 5 Blood Knights armed with either templar lances or blades, and with a choice of helmeted or unhelmeted heads. One can be assembled as a Kastellan unit leader equipped with a unique helmet, winged armour, and mace weapon arm, and one can be assembled as a Standard Bearer. These models are supplied with 5x Citadel 75mm Oval Bases.
