Product description

Soulblight Gravelords: Fangs of the Blood Queen

This boxed set builds Sekhar, Fang of Nulhamia, available here for the first time alongside a pack of 10 Dire Wolves, and three Fell Bats. Sekhar strides into battle, wielding a deadly Nulhamian warglaive and accompanied by a god-echo of the great seprent Ouboroth, who is poised to strike by her side. As her Fell Bats swoop across the battlefield, packs of ravenous Dire Wolves chase down Sekhar's prey.

This set includes the following multipart plastic models:

- 1x Sekhar, Fang of Nulhamia
- 3x Fell Bats
- 10x Dire Wolves

Rules for fielding Sekhar, Fang of Nulhamia in your Soulblight Gravelord armies - and mustering the Scions of Nulhamia army of renown - can be found in Dawnbringers: Book IV - The Mad King Rises, which is available separately.

All models are supplied with their appropriate bases.

These miniatures are supplied unpainted and require assembly - we recommend using Citadel Plastic Glue and Citadel Colour paints.
