## Soulblight Gravelords: Kritza, The Rat Prince

Kritza is all but unkillable on the battlefield thanks to his ability to disappear into a swarm of rats at the apparent point of death, only to reappear elsewhere, ready to seek his vengeance on his would-be killer. If you're looking for something to thwart your opponent's battle plans, look no further than Kritza.

This 9-part plastic kit makes one Kritza model and comes supplied with a Citadel 60mm Oval Base.
