Product description

Space Marines: Captain in Terminator Armour

This multipart plastic kit builds one Captain in Terminator Armour – a worthy leader for your Space Marines in Warhammer 40,000. This versatile kit offers a variety of weapons to fit your army's theme and style – you can equip your Captain with a power fist or ornate relic sword for getting up close and personal, and a storm bolter or three different varieties of combi-weapon – flamer, melta, or plasma – to eliminate the Emperor's enemies at range.

The kit also includes cosmetic options to personalise your Captain – two different bare heads, one with a rebreather and one with a bionic eye, as well as an optional tabard.

This kit contains 25 plastic components, and comes with a Citadel 50mm Round Base. This miniature is supplied unpainted and requires assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
