### Product description

## Space Wolves: Dice Set

Roll in style with this set of dice themed around the heroic warriors of the Space Wolves Chapter! Use them for those all-important re-rolls, tracking wounds, or just regular use!

Each six-sided, round-cornered die is a dark blue-grey, similar in colour to the Citadel paint, The Fang. The 20 dice in this set each measure 16mm x 16mm and feature the wolf's head icon of Ragnar Blackmane's Great Company on the 6 face, the symbol of a stylised skull with long fangs on the 1 face, and tradition pips on the other faces, all gold in colour and surrounded by a round storm shield design. The dice are supplied in a plastic sleeve inside a flip-top box, with a view hole at its centre. The box itself is covered in Space Wolves artwork.
