Product description

Spearhead: Stormcast Eternals

Engage your foes with swift and deadly force as Yndrasta and three mighty Annihilators strike from the heavens like white-hot lightning bolts, whilst your Stormstrike chariot crashes through opponents with meteoric force. A unit of sword-wielding Vanquishers sures up your lines, and the ancient banner held aloft by a noble Knight-Vexillor infuses your Stormcast Eternals with the courage to fight on against overwhelming odds.

This plastic boxed set builds 16 Stormcast Eternals miniatures:

- 1x Yndrasta, the Celestial Spear
- 1x Knight-Vexillor with Banner of Apotheosis
- 1x Stormstrike Chariot
- 3x Annihilators
- 10x Vanquishers

All models are supplied with their appropriate bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel Colour paints.
