### Product description

## Stormcast Eternals: Annihilators

This multipart plastic kit comprises 56 components, with which you can build three Annihilators wielding meteoric hammers and shields. Each miniature can also be given helmeted or unhelmeted heads. You can alternatively assemble them as Annihilators with Meteoric Grandhammers.

With this kit, there is also the option to build an Annihilator-Prime. This kit comes supplied with three 50mm Citadel Round bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
