Product description

Stormcast Eternals: Gardus Steel Soul

Gardus Steel Soul is just as adept at leading his Hallowed Knights as he is cutting down the enemies of Order in close combat, so don't be afraid to let him get stuck into the fray. He is depicted mid-landing having been projected from Azyr upon a Sigmarite thunderbolt, with his war cloak billowing up behind him from the force of impact, recreating the iconic artwork from Black Library novel Hallowed Knights: Black Pyramid. This stunning model can be assembled either wearing a helmet or without.

This multipart plastic kit is comprised of 15 components, with which you can assemble one Gardus Steel Soul, and is supplied with 1x Citadel 50mm Round Base.
