Product description

Stormcast Eternals: Knight-Vexillor

This multi-part plastic kit gives you everything necessary to make one Knight-Vexillor, the standard-bearer of the Stormcast Eternals. A single-pose miniature armed with a warhammer, and carrying either a meteoric standard or a pennant of the stormbringer, he features incredibly intricately-detailed armour. Twelve components are included in total, with one Citadel 40mm Round base and a transfer sheet.
