Product description

Stormcast Eternals: Vanquishers

This multipart plastic kit comprises 172 components, with which you can build 10 Vanquishers wearing sleek Thunderstrike armour and wielding mighty celestial greatswords. There are multiple build options within the kit, and each miniature can be built with helmeted or unhelmeted heads.

With this kit, there are also options to build a Vanquisher-Prime, a Vanquisher Herald who carries a war horn, and a Storm-forged Icon Bearer. This kit comes supplied with 10x 40mm Citadel Round bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
