## **Product description**

## **Stormcast Eternals: Vigilors**

This multipart plastic kit comprises 190 components, with which you can build 10 Vigilors wearing sleek Thunderstrike armour with flowing ranger-style robes, and armed with compact stormcaller bows and stormblades. Each miniature has two build options and can also be given helmeted or unhelmeted heads.

With this kit, there is also the option to build up to two Vigilor-Prime models. The kit comes supplied with 10x 40mm Citadel Round bases. These miniatures are supplied unpainted and require assembly – we recommend using Citadel Plastic Glue and Citadel paints.
